**FY 2002**

## **GENERAL INFORMATION**

**The FY02 Commercial Over Ocean Container Rates apply to cargo booked by MTMC or through MTMC's system. Effective 1 March 2002, an Excess Inland Transportation Surcharge is added to cargo booked to the vicinity of Afghanistan to recover costs not included in original published rates.**

**Over Ocean Container Billing Rate:** Container Billing Rates are for movement of container cargo under the Universal Service Contract (USC) and other service contracts, is inclusive of door-to-door service and does include the cost for both the over ocean movement of the containers and the inland transport of the containers to and from the port to its final destination. The Commercial Container Billing Rate is for cargo line haul, load, ship, and discharge by MTMC's contracted commercial carrier.

The FY02 Commercial Over Ocean Container Rates contain cargo-processing costs, which were assessed and billed separately prior to FY99. Rates apply to both traffic area code pairs, i.e., rate for CONUS East Coast (01) to Northern Europe (17) is same as (17) to (01).
